

## Thank You Bathurst Refugee Support Group

Thank you to all involved in making our stay at The House of Welcome in Bathurst so comfortable and memorable.

Our five young unaccompanied minors who are seeking asylum in Australia from their war torn country of Afghanistan were so happy to spend some time away from their normal routine in Rutherford.

At Marist Youth Care we really appreciate the opportunity to show our Young People different areas and communities that they might end up in one day, if granted refugee status.

From Judy meeting us and showing us around (leaving a big slice of Sr. Pat's birthday cake) to Sr. Linnane trying to catch us at home to welcome us further with a big block of chocolate, we had a fantastic time in your beautiful newly renovated cottage.

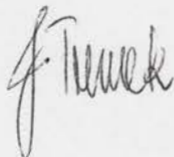

Your location enabled us to make visits to both the Abercrombie and Jenolan caves which the boys had not seen anything like before.

On returning home the boys were very excited to watch with great interest the Bathurst 1000 only just having completed a drive around the famous circuit.

So a big thank you to everybody at the Bathurst Refugee Support Group.

With kindest regards,

Jude Treweek
